We are so excited to have **Paul and Carol Alexander** return for Breakaway 2022. Last year, they inspired us with their personal stories and engaged us in ministry application.

Dr. Paul and his wife, Dr. Carol, are passionate about training servant leaders with a commitment to church planting, mission, and care for the poor and disenfranchised. This commitment informs their leadership, sets their priorities, and defines the spiritual tenor they aspire to see evident in the Trinity community.

Drs. Paul and Carol have lived on four continents and led a variety of ministries and institutions. They have led churches in the UK, South Africa and Australia. Additionally, Paul has led institutions of Higher Learning in each of these places. Currently, Paul serves as the President of Trinity Bible College & Graduate School.

The Alexander's have two adult children. Anna is married to Rich, and they have two children, Ava and Tylan; they live in Charlotte, North Carolina. Jason resides in Los Angeles, California. Although they live at great distances from each other, the Alexander family is close and finds ways to spend meaningful time together.
