

# SC District Ecuador Jungle Missions Trip

with Builders International Missionaries Jimmy and Deana Sellars

## **The Project**

In the Jungle is a church planting project in the village of Pikerishka and the community called Tsantsa (meaning shrunken head). The local church of Shuar Indian believers have worked hard and sacrificed much to build the foundation, cement columns, steel structure & roof, and cement floor in the last 6 months.

## **The Need**

Projects needed are; outside and inside walls, windows, doors, electricity, platform for the pulpit, and sound system to finish this project.

## **The Vision**

Pastor Victor presides over 80 members currently. His vision is to reach the indigenous tribe in the jungle and impact this community through the church.
