## **Section 2. Missional Principles**

The mission of the South Carolina District Council is four-fold:

To encourage and promote evangelization and making of disciples throughout the State of South Carolina, the United States of America, and to all peoples of the world among Jews and Gentiles according to the Great Commission of the Messiah Jesus set forth in Matthew 28:18-20, Mark 16:15-20 and Acts 1:8.
2. To establish and develop assemblies throughout the State in accordance with biblical standards and principles.
3. To encourage, instruct and oversee the collective body of ministers of the assemblies, approved institutions and missionaries to advance the cause of its mission locally and to the world.
4. To approve all scriptural teachings, methods and conduct among the assemblies and by credentialed ministers, and to disapprove all unscriptural teachings, methods and conduct.

Sectional and Regional Councils, as well as the annual District Council, shall offer fellowship opportunities for the constituency. All credentialed ministers shall be urged to participate in these events on a regular basis.

The South Carolina District Council in compliance with the General Council Constitution and Bylaws encourages ministers and churches to fellowship with other Christians and churches of like precious faith who hold to the inspiration of Scripture, the deity of Christ, the universality of sin, the substitutionary atonement, the physical resurrection of Jesus Christ from the dead, and his second coming. It encourages open communion with all professing believers.

## **ARTICLE IV. ARTICLES OF FAITH**

The articles of faith of the District Council and all its assemblies, both District affiliated and General Council affiliated, shall be the same as those set forth by The General Council of the Assemblies of God. These articles, known officially as the Statement of Fundamental Truths, are as follows:

### **STATEMENT OF FUNDAMENTAL TRUTHS**

The Bible is our all-sufficient rule for faith and practice. This Statement of Fundamental Truths is intended simply as a basis of fellowship among us [i.e., that we all speak the same thing (1 Corinthians 1:10; Acts 2:42)]. The phraseology employed in this Statement is not inspired or contended for, but the truth set forth is held to be essential to a full-gospel ministry. No claim is made that it contains all Biblical truth, only that it covers our need as to these fundamental doctrines.

#### **1. The Scriptures Inspired**

The Scriptures, both the Old and New Testaments, are verbally inspired of God and are the revelation of God to man, the infallible, authoritative rule of faith and conduct (2 Timothy 3:15-17; 1 Thessalonians 2:13; 2 Peter 1:21).

#### **2. The One True God**

The one true God has revealed Himself as the eternally self-existent "I AM", the Creator of heaven and earth and the Redeemer of mankind. He has further revealed Himself as embodying the principles of relationship and association as Father, Son and Holy Spirit (Deuteronomy 6:4; Isaiah 43:10, 11; Matthew 28:19; Luke 3:22).

### **THE ADORABLE GODHEAD**

#### **(a) Terms Defined**

The terms "Trinity" and "persons", as related to the Godhead, while not found in the Scriptures, are words in harmony with Scripture, whereby we may convey to others our immediate understanding of the doctrine of Christ respecting the Being of God, as distinguished from "gods many and lords many." We therefore may speak with propriety of the Lord our God, who is One Lord, as a trinity or as one Being of three persons, and still be absolutely scriptural (examples, Matthew 28:19; 1 Corinthians 13:14; John 14:16, 17).

#### **(b) Distinction and Relationship in the Godhead**

Christ taught a distinction of Persons in the Godhead which He expressed in specific terms of relationship, as Father, Son, and Holy Spirit, but that this distinction and relationship as to its mode is inscrutable and incomprehensible, because unexplained (Luke 1:35; 1 Corinthians 1:24; Matthew 11:25-27; 28:19; 1 Corinthians 13:14; 1 John 1:3, 4).

#### **(c) Unity of the One Being of Father, Son and Holy Spirit**

Accordingly, therefore, there is that in the Son which constitutes Him the Son and not the Father; and there is that in the Holy Spirit which constitutes Him the Holy Spirit and not either the Father or the Son. Wherefore the Father is the Begetter, the Son is the Begotten; and the Holy Spirit is the one proceeding from the Father and the Son. Therefore, because these three

persons in the Godhead are in a state of unity, there is but one Lord God Almighty and His name one (John 1:18; 15:26; 17:11, 21; Zechariah 14:9).

(d) Identity and Cooperation in the Godhead

The Father, the Son and the Holy Spirit are never identical as to Person; nor confused as to relation; nor divided in respect to the Godhead; not opposed as to cooperation. The Son is in the Father and the Father is in the Son as to relationship. The Son is with the Father and the Father is with the Son, as to fellowship. The Father is not from the Son, but the Son is from the Father, as to authority. The Holy Spirit is from the Father and the Son proceeding, as to nature, relationship, cooperation and authority. Hence, neither Person in the Godhead either exists or works separately or independently of the others (John 5:17-30, 32, 37; John 8:17, 18).

(e) The Title, Lord Jesus Christ

The appellation, "Lord Jesus Christ", is a proper name. It is never applied in the New Testament either to the Father or the Holy Spirit. It therefore belongs exclusively to the Son of God (Romans 1:1-3, 7; 1 John 3).

(f) The Lord Jesus Christ, God with us

The Lord Jesus Christ, as to His divine and eternal nature, is the proper and only Begotten of the Father, but as to His human nature, He is the proper Son of Man. He is, therefore, acknowledged to be both God and man; who because He is God and man, is "Immanuel," God with us (Matthew 1:23; 1 John 4:2, 10, 14; Revelation 1:13, 17).

(g) The Title, Son of God

Since the name "Immanuel" embraces both God and man in the one Person, our Lord Jesus Christ, it follows that the title, Son of God, describes His proper deity, and the title Son of Man, His proper humanity. Therefore, the title, Son of God, belongs to the order of eternity, and the title, Son of Man, to the order of time (Matthew 1:21-23; 1 John 3:8; Hebrews 7:3; 1:1-13).

(h) Transgression of the Doctrine of Christ

Wherefore, it is a transgression of the Doctrine of Christ to say that Jesus Christ derived the title, Son of God, solely from the fact of the incarnation, or because of his relation to the economy of redemption. Therefore, to deny that the Father is a real and eternal Father, and that the Son is a real and eternal Son, is a denial of the distinction and relationship in the Being of God; a denial of the Father and the Son; and a displacement of the truth that Jesus Christ is come in the flesh (1 John 9; John 1:1, 2, 14, 18, 29, 49; 1 John 2:22, 23; 4:1-5; Hebrews 12:2).

(i) Exaltation of Jesus Christ as Lord

The Son of God, our Lord Jesus Christ, having by Himself purged our sins, sat down on the right hand of the Majesty on high; angels and principalities and powers having been made subject unto Him. And having been made both Lord and Christ, He sent the Holy Spirit that we, in the name of Jesus, might bow our knees and confess that Jesus Christ is Lord to the glory of God the Father until the end, when the Son shall become subject to the Father that God may be all in all (Hebrews. 1:3; 1 Peter 3:22; Acts 2:32-36; Rom. 14:11; 1 Corinthians 15:24-28).

(j) Equal Honor to the Father and to the Son

Wherefore, since the Father has delivered all judgment unto the Son, it is not only the express duty of all in heaven and on earth to bow the knee, but it is an unspeakable joy in the Holy Spirit to ascribe unto the Son all the attributes of Deity, and to give Him all the honor and the glory contained in all the names and titles of the Godhead (except those which express relationship, see paragraphs b, c, and d) and thus honor the Son even as we honor the Father (John 5:22, 23; 1 Peter 1:8; Revelation 5:6-14; Philippians 2:8, 9; Revelation 7:9, 10; 4:8-11).

### **3. The Deity of the Lord Jesus Christ**

The Lord Jesus Christ is the eternal Son of God. The Scriptures declare:

- (a) His virgin birth (Matthew 1:23; Luke 1:31, 35).
- (b) His sinless life (Hebrews 7:26; 1 Peter 2:22).
- (c) His miracles (Acts 2:22; 10:38).
- (d) His substitutionary work on the cross (1 Corinthians 15:3; 5:21).
- (e) His bodily resurrection from the dead (Matthew 28:6; Luke 24:39; 1 Corinthians 15:4).
- (f) His exaltation to the right hand of God (Acts 1:9, 11; 2:33; Philippians 2:9-11; Hebrews 1-3).

#### **4. The Fall of Man**

Man was created good and upright; for God said, "Let us make man in our image, after our likeness." However, man by voluntary transgression fell and thereby incurred not only physical death but also spiritual death, which is separation from God (Genesis 1:26, 27, 2:17; 3:6; Romans 5:12-19).

#### **5. The Salvation of Man**

Man's only hope of redemption is through the shed blood of Jesus Christ the Son of God.

##### **(a) Conditions to Salvation**

Salvation is received through repentance toward God and faith toward the Lord Jesus Christ. By the washing of regeneration and renewing of the Holy Spirit, being justified by grace through faith, man becomes an heir of God according to the hope of eternal life (Luke 24:47; John 3:3; Romans 10:13-15; Ephesians 2:8; Titus 2:11, 3:5-7).

##### **(b) The Evidences of Salvation**

The inward evidence of salvation is the direct witness of the Spirit (Romans 8:16). The outward evidence to all men is a life of righteousness and true holiness (Ephesians. 4:24; Titus 2:12).

#### **6. Ordinances of the Church**

##### **(a) Baptism in Water**

The ordinance of baptism by immersion is commanded in the Scriptures. All who repent and believe on Christ as Savior and Lord are to be baptized. Thus they declare to the world that they have died with Christ and that they also have been raised with Him to walk in newness of life (Matthew 28:19; Mark 16:16; Acts 10:47, 48; Romans 6:4).

##### **(b) Holy Communion**

The Lord's Supper, consisting of the elements--bread and the fruit of the vine--is the symbol expressing our sharing the divine nature of our Lord Jesus Christ (2 Peter 1:4); a memorial of His suffering and death (1 Corinthians 11:26); and a prophecy of His second coming (1 Corinthians 11:26); and is enjoined on all believers "till He come!"

#### **7. The Baptism in the Holy Spirit**

All believers are entitled to and should ardently expect and earnestly seek the promise of the Father, the baptism in the Holy Spirit and fire, according to the command of our Lord Jesus Christ. This was the normal experience of all in the early Christian Church. With it comes the enduement of power for life and service, the bestowment of the gifts and their uses in the work of the ministry. (Luke 24:49; Acts 1:4, 8; 1 Corinthians 12:1-31). This experience is distinct from and subsequent to the experience of the new birth (Acts 8:12-17; 10:44-46; 11:14-16; 15:7-9). With the baptism in the Holy Spirit come such experiences as an overflowing fullness of the Spirit (John 7:37-39; Acts 4:8), a deepened reverence for God (Acts 2:43; Hebrews 12:28), an intensified consecration to God and dedication to His work (Acts 2:42), and a more active love for Christ, for His Word and for the lost (Mark 16:20).

#### **8. The Evidence of the Baptism in the Holy Spirit**

The baptism of believers in the Holy Spirit is witnessed by the initial physical sign of speaking with other tongues as the Spirit of God gives them utterance (Acts 2:4). The speaking in tongues in this instance is the same in essence as the gift of tongues (1 Corinthians 12:4-10, 28), but different in purpose and use.

## **9. Sanctification**

Sanctification is an act of separation from that which is evil, and of dedication unto God (Romans 12:1, 2; I Thessalonians. 5:23; Hebrews 13:12). The Scriptures teach a life of "holiness without which no man shall see the Lord" (Hebrews 12:14). By the power of the Holy Spirit we are able to obey the command: "Be ye holy, for I am holy" (1 Peter 1:15, 16).

Sanctification is realized in the believer by recognizing his identification with Christ in His death and resurrection, and by faith reckoning daily upon the fact of that union, and by offering every faculty continually to the dominion of the Holy Spirit (Romans 6:1-11, 13; 8:1, 2, 13; Galatians 2:20; Philippians 2:12, 13; 1 Peter 1:5).

## **10. The Church and its Mission**

The Church is the Body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her great commission. Each believer, born of the Spirit, is an integral part of the General Assembly and Church of the Firstborn, which are written in heaven (Ephesians 1:22, 23; 2:22; Hebrews 12:23).

Since God's purpose concerning man is to seek and to save that which is lost, to be worshipped by man, and to build a body of believers in the image of His Son, the priority reason-for-being of the Assemblies of God as part of the Church is:

- (a) To be an agency of God for evangelizing the world (Acts 1:8; Matthew 28:19, 20; Mark 16:15, 16).
- (b) To be a corporate body in which man may worship God (1 Corinthians 12:13).
- (c) To be a channel of God's purpose to build a body of saints being perfected in the image of his Son (Ephesians 4:11-16; 1 Corinthians 12:28; 14:12).

The Assemblies of God exists expressly to give continuing emphasis to this reason-for-being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit. This experience:

- (a) Enables them to evangelize in the power of the Spirit with accompanying supernatural signs (Mark 16:15-20; Acts 4:29-31; Hebrews 2:3, 4).
- (b) Adds a necessary dimension to worshipful relationship with God (1 Corinthians 2:10-16; 12; 13; 14).
- (c) Enables them to respond to the full working of the Holy Spirit in expression of fruit and gifts and ministries as in New Testament times for the edifying of the body of Christ (Galatians 5:22-26; 1 Corinthians 14:12; 12:28; Ephesians 4:11, 12; Colossians 1:29).

## **11. The Ministry**

A divinely called and scripturally ordained ministry has been provided by our Lord for the threefold purpose of leading the Church in: (1) evangelization of the world (Mark 16:15-20), (2) worship of God (John 4:23, 24), and (3) building a body of saints being perfected in the image of his Son (Ephesians 4:11-16).

## **12. Divine Healing**

Divine healing is an integral part of the gospel. Deliverance from sickness is provided for in the atonement, and is the privilege of all believers (Isaiah 53:4, 5; Matthew 8:16, 17; James 5:14-16).

### **13. The Blessed Hope**

The resurrection of those who have fallen asleep in Christ and their translation, together with those who are alive and remain unto the coming of the Lord, is the imminent and blessed hope of the Church (1 Thessalonians 4:16, 17; Romans 8:23; Titus 2:13; 1 Corinthians 15:51, 52).

### **14. The Millennial Reign of Christ**

The second coming of Christ includes the rapture of the saints, which is our blessed hope, followed by the visible return of Christ with his saints to reign on the earth for one thousand years (Zechariah 14:5; Matthew 24:27, 30; Revelation 1:7; 19:11-14; 20:1-6). This millennial reign will bring the salvation of national Israel (Ezekiel 37:21, 22; Zephaniah 3:19, 20; Romans 11:26, 27) and the establishment of universal peace (Isaiah 11:6-9; Psalm 72:3-8; Micah 4:3, 4).

### **15. The Final Judgment**

There will be a final judgment in which the wicked dead will be raised and judged according to their works. Whosoever is not found written in the Book of Life, together with the devil and his angels, the beast and the false prophet, will be consigned to everlasting punishment in the lake which burneth with fire and brimstone, which is the second death (Matthew 25:46; Mark 9:43-48; Revelation 19:20; 20:11-15; 21:8).

### **16. The New Heavens and the New Earth**

"We, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness" (2 Peter 3:13; Revelation 21, 22).

If an election has not been declared after the fifth electoral ballot, the two candidates having received the highest number of votes in the last ballot cast shall be the only nominees to be further voted upon. Should a two-thirds majority of votes cast not be decisive by the sixth ballot, the seventh ballot shall require a majority of votes cast for the election.

F. **Terms of Office.** Terms of office for each member of the District Executive Leadership Team (ELT) shall be for a four-year period beginning thirty calendar days after election and ending twenty-nine calendar days after the election of a successor.

G. **Terms Sequence of Executive Leadership Team.** To avoid multiple expirations of terms at the same time and to assure continuity of experienced persons in executive offices, election of members of the Executive Leadership Team shall take place in the following order: the election

of the District Superintendent, Assistant District Superintendent and the District Secretary-Treasurer shall be arranged so that the District Superintendent is elected in an even-numbered year for a four-year term, the Assistant District Superintendent in an odd-numbered year for a four-year term, and the District Secretary-Treasurer in an even-numbered year, provided terms shall be so arranged that the terms of the District Secretary-Treasurer shall commence two years from the date of the election of the Assistant District Superintendent. - b. General Council affiliated assemblies shall recognize that the South Carolina District Council has the right to approve scriptural doctrine and conduct and disapprove unscriptural doctrine and conduct and administer discipline when violations occur for all affiliated assemblies and credentialed ministers in its jurisdiction.
- c. Further, all churches shall recognize that the South Carolina District Council has the right to safeguard the assemblies as set forth in the General Council Constitution and Bylaws.
- d. If a lead pastor of a General Council affiliated assembly allows his or her ministerial credential with the General Council of the Assemblies of God to lapse, or his or her credential is suspended, removed, revoked, or for any other cause, becomes invalid, the assembly shall revert to the temporary status of District affiliated assembly until such time all criteria for General Council affiliation status are satisfied for reinstatement.
- e. If a General Council affiliated assembly has a recognized debt to the General Council of the Assemblies of God, the South Carolina District Council of the Assemblies of God, or another General Council affiliated assembly, it shall not separate from the Assemblies of God without first repaying the recognized debt.
- f. When in need of counsel or advice, the local assembly may appeal to the South Carolina District Council for help. It may appeal any decision by the District Council in such cases to the Executive Presbytery of the General Council of the Assemblies of God when there is a question whether or not the assembly has received proper help from District Council. When exceptions are taken to the decision of the Executive Presbytery, either by the local assembly or by the District Presbytery, appeal may be made to the General Presbytery of the General Council of the Assemblies of God as provided in General Council Constitution and Bylaws (*cf.* Constitution Article XI, Section 2, paragraph e; Bylaws, Article VI, Section 4, paragraph c).

## **Section 5. Order in Assemblies**

Each General Council affiliated assembly shall be set in order, meaning that the assembly shall have proper scriptural and legal governance documents and follow guidelines for incorporation as required by civil law. Each local assembly shall cooperate in the work of the District Council and shall support the District Council with two percent (2%) of its monthly income, half assigned to new church planting and revitalization and half assigned to the Unified Ministries Fund for District Council support of departmental ministries.

Being officially affiliated, they may send one or two delegates according the prescribed number allotted by these bylaws to District Council business sessions. An assembly with fifty (50) adherents or less shall be entitled to one official delegate. Larger assemblies may send two official delegates.

Governance and legal liability of parent affiliated assemblies, satellite assemblies and other church plants shall be the responsibility of the sponsoring assembly, unless specific exceptions are made by the District Presbytery.

## **Section 6. Legal Precedence of Powers**

The legal precedence of powers of a General Council affiliated assembly as established by civil law is follows: (1) Articles of Incorporation filed with the Secretary of State, (2) constitution and/or bylaws of the local assembly approved by a two-thirds majority of votes cast in a duly called business meeting of the membership, (3) policies, agreements and contracts approved by the membership at a duly called business meeting and (4) official board policies, agreements and contracts.

The constitution and bylaws of assemblies shall take precedence over the District Council Bylaws except when such are in violation of the agreement of affiliation or, otherwise, contradict the Constitution and Bylaws of the General Council and/or the South Carolina District Council of the Assemblies of God.

## **Section 7. Missions Participation by Assemblies**

A historic and primary distinctive of the Assemblies of God is its persuasion and unswerving commitment to evangelize and make disciples of both Jews and Gentiles, establish assemblies among all people groups of the world, and care for the poor and needy with acts of compassion, justice, relief and rescue.

All credentialed ministers and assemblies, both District Council affiliated and General Council affiliated, are expected to have and maintain an active interest in and to give prayer and financial support to (1) local missions and benevolence endeavors, (2) the South Carolina District Council's church planting and revitalization efforts, (3) its world mission projects and endeavors, (4) Assemblies of God U.S. Missions, BGMC, Speed-the-Light, Light-for-the-Lost, and Assemblies of God World Missions through appointed missionaries, approved projects and institutions.

## **Section 8. Participation with Assemblies of God Educational Institutions**

Assemblies shall be expected to participate in, promote, recommend and support the Assemblies of God institutions of ministerial training and higher education, particularly the South Carolina District School of Ministry, Southeastern University of the Assemblies of God in Lakeland, Florida, the Assemblies of God Theological Seminary in Springfield, Missouri, and Global University based in Springfield, Missouri.

## **Section 9. District Council Assistance of a General Council Affiliated Assembly**

- A. **Conditions for District Council Assistance.** When a General Council affiliated assembly is no longer able to fill the corporate offices of the assembly with scripturally-qualified members, or fails to meet its ongoing financial obligations, or falls below twenty (20) adult members, or fails to meet any other requirements for General Council affiliation (cf. General Council Constitution, Article XI, Section 1.a.), or the pastor or the board requests that the assembly come under District Council assistance, understood as non-encumbering and non-liable, the District Council may exercise its prerogative to bring the assembly under its assistance. In cases where the General Council shall revert an assembly to the South Carolina District Council by written notice, the District Council shall bring the assembly under assistance immediately.
- B. **Purpose.** The purpose of District Council assistance is not punitive, but is meant for purposes of reestablishing congregational life to good health. At such time as the assembly returns to sufficient strength and order, it may reapply with the South Carolina District Council and the General Council for reinstatement to General Council status.
- C. **Process.** Before such action is taken, investigation shall be made by the District Council leadership in consultation with the pastor and official board to determine if the above conditions are present. If so, the assembly shall be reverted to District Affiliated status. Whenever possible, a meeting between congregational members and District Council leadership shall take place to explain fully the process of District Council assistance, understood as non-encumbering and non-liable, and implement a plan to restore the assembly to good health, witness and productivity.
- D. **Appeal.** A General Council affiliated assembly pastor or official board may appeal the decision to revert to District Affiliated status under procedures as outlined in these bylaws, Article VIII, Section 3, and related District Council or General Council governance documents.
- E. **Requirements.** Assemblies that revert to District Affiliated status must:
  - 1. Dissolve the official board
  - 2. Suspend the assembly's Constitution and/or Bylaws
  - 3. Function under the District Council Bylaws, policies and guidelines for District Council affiliated assemblies
  - 4. Submit to full financial accountability according to the Bylaws and generally accepted accounting principles
  - 5. Work towards resolving the issues that caused reversion and rebuild the congregation in the spirit of unity and cooperation in the Messiah Jesus

## **Section 10. Mediation and Intervention in General Council Affiliated Assemblies**

- A. **Principles of Relationship, Amenability and Interdependency.** The right of General Council affiliated assemblies to be autonomous, self-governing and self-determining bodies is a fundamental privilege safeguarded by the General Council Constitution and Bylaws and by District Council Bylaws (cf. General Council Bylaws, Article VI, Section 4; District Council Bylaws, Article VIII, Section 3). The written agreement of the local assembly to become a General Council affiliated assembly affirmed "agreement with the Fellowship to be amenable to the General Council and District Council in matters of doctrine and conduct" (cf. General Council Constitution, Article XA, Section 1d and General Council Bylaws, Article VI, Section 4a).
- B. **Right of District Council to Mediate and Intervene.** Voluntary, cooperative fellowship describes both the interdependent relationship that exists between assemblies and their amenability to the District Council and the General Council as certified by the issuance of certificates of

affiliation. The District Council retains the right to mediate and intervene in a local assembly in matters of doctrine and conduct. Before mediation and/or intervention procedures are taken, evidence shall be known that the scriptural principles of Matthew 18:15-17 and 1Timothy 5:19 were applied without resolving the issues.

- C. Assistance by the General Council and District Council.** The services of both the General Council and District Council are available to assist the General Council affiliated assembly in dealing with any of its problems, either internal or external, by mediation or intervention, when requested by the pastor or a majority of the official board of the assembly or a petition signed by twenty (20) percent of the voting members.

When District Council executive officers, the Sectional Presbyter or Regional Executive Presbyter receive such requests, they shall respond by investigating problems and, if necessary, recommend remedial actions to the District Council's Executive Presbytery.

At its discretion, the District Council's Executive Presbytery may act to bring the assembly under District Council assistance, understood as non-encumbering and non-labile, and, when necessary, revert it from General Council status to District Council affiliated status until the governing entity considers the problem resolved.

### **Section 11. Rules Governing Disaffiliation**

1. *Breach of ministerial ethics.* Generally, it shall be considered a breach of ministerial ethics for an Assemblies of God minister to lead an established Assemblies of God congregation away from affiliation with the Assemblies of God in violation of the agreement to affiliate and the certification. To do so may result in disciplinary action, in accordance with General Council and the District Council Bylaws, such action to be determined by the District Council Credentials Committee.

2. *Divisions within an assembly.* In the event that a General Council affiliated assembly or District Council affiliated assembly in the State of South Carolina shall become divided over doctrine, conduct or any other issues, or, otherwise, shall be considering disaffiliation from the Assemblies of God, the pastor or official board shall invite the District Council officers to participate in a specially called leadership or official board meeting to discuss the matter.

3. *Preservation of affiliation.* If the differences cannot be resolved and the leadership or official board continues to pursue disaffiliation, a duly called church business meeting shall be announced to the membership and congregation not less than two Sundays prior to the meeting. Such meeting shall be called for the express purpose of giving the District Council officers opportunity to present the case for continued Assemblies of God affiliation. Final disposition of the matter may then proceed in accordance with the constitution and bylaws of the local assembly.

### **Section 12. Assemblies Resulting from Division**

- A. **Status of Assembly.** When efforts to maintain unity and harmony in an assembly have failed, and a division results in a new congregation being formed, the District Presbytery shall exercise strong and wise leadership in ascertaining the facts and seek to preserve Assemblies of God adherents for the Fellowship. Within the bounds of ethical principles, sound doctrine, and District Council policy, the District Presbytery shall seek to retain any meritorious group within the Assemblies of God.
- B. **Status of Minister(s).** Circumstances in each case shall determine whether the minister(s) shall be disciplined or denied ministry in either the original assembly or the dissident group, or even residency in the area where the division occurred. If a minister is guilty of inappropriate doctrine

or conduct resulting in a division, the District Presbytery shall deal appropriately with the minister as provided in the General Council Bylaws, Article X, Section 3.

## **ARTICLE X. MINISTRY**

### **Section 1. Scriptural Warrant for Ministry**

The gifts of the Messiah Jesus to his body of believers include apostles, prophets, evangelists, pastors and teachers (*cf.* Ephesians 4:11-13), exhorters, administrators, leaders and helpers (*cf.* Romans 12:7-8). His call to these ministry gifts is fully and totally within his sovereign discretion without regard to gender, national origin, ethnicity, culture or disability.

### **Section 2. General Council Governance of Ministry, Credentials and Due Process**

The South Carolina District Council shall incorporate, abide by and be amenable to all current General Council Bylaws, regulations and rulings existing now or as may be amended in the future pertaining to ministry, credentials and due process within the Assemblies of God (*cf.* General Council Bylaws, Article VII).

The General Council Credentials Committee delegates to the district councils the authority to examine, approve and recommend candidates who qualify as certified ministers, licensed ministers and ordained ministers.

Final approval and issuance of the ministerial credential shall be made by the General Council Credentials Committee. All ordination services, with the laying on of hands, shall take place under the auspices of the District Council.

### **Section 3. Credentials Examination and Interview Committee**

The District Executive Leadership Team and another presbyter in proximity to the District Council office shall serve as the Credentials Examination and Interview Committee. It shall examine and interview all applicants to determine whether to recommend applicants, each on a case-by-case basis, to the District Presbytery for approval to recommend to the General Council Executive Presbytery for ministerial credentials. It shall follow the credentialing process set forth by the General Council Bylaws, policies and regulations, and according to *The South Carolina District Ministerial Credentials Guidebook*, hereafter referred to as *The Ministerial Credentials Guidebook*.

### **Section 4. District Council Guidelines for Ministry Credentials**

District Council credentialing policy and guidelines shall be approved by the District Presbytery. Instructions on the process of applying and qualifying for credentials shall be made available in *The South Carolina District Ministerial Credentials Guidebook* approved by the District Presbytery. All applicants for credentials shall be members in good standing in their respective assemblies of God congregation.

### **Section 5. Classifications of Ministers**

Three classifications of ministry are recognized and transferable among all Assemblies of God District Councils in the United States: the ordained minister, the licensed minister and the certified minister. All ordained, licensed and certified ministers holding current ministerial credentials are authorized to perform

the sacerdotal functions of ordinances and other ceremonies common to the work of the assemblies, as well as those holding a local church credential as provided below.

A fourth classification of ministry, a local church credential, may be provided by a local General Council affiliated assembly under basic guidelines adopted by the General Presbytery and such additional guidelines as adopted by the District Presbytery. The local church credential shall be non-transferable, limited to the issuing local assembly, and shall be limited to two (2) years unless the credential is solely required for active and continuing local ministry in a prison, hospital or other institution. A person holding a local church credential may perform the sacerdotal functions of ordinances and other ceremonies common to the work of the assembly if authorized in writing by the senior or lead pastor of the local assembly issuing the credential. District Council affiliated assemblies may not issue local church credentials without the express consent of the District Presbytery.

## **Section 6. Basic Qualifications for Ministry Recognition**

Basic qualifications for all applicants for ministry recognition are set forth in the General Council Bylaws, Article VII, Section 2 and Section 3.

- A. **Salvation.** Testimony to having experienced the new birth through faith in the Messiah Jesus (*cf.* John 3:5).
- B. **Baptism in the Holy Spirit.** Testimony to having received the baptism in the Holy Spirit with the initial physical evidence of speaking in tongues according to Acts 2:4. The Spirit-filled life will enable a minister to fulfill the fourfold mission of the Assemblies of God (*cf.* General Council Constitution, Article V, paragraph 10; District Council Bylaws, Article II, Section 1, Article III, Section 2).
- C. **Evidence of call.** Clear evidence of a divine call to the ministry, evidenced by a personal conviction, confirmed by the work of the Spirit and the testimony of fellow ministers.
- D. **Christian character.** A blameless Christian life and a good report of those who are without (*cf.* Titus 1:7; 1 Timothy 3:7).
- E. **Doctrinal position.** A thorough understanding of, and agreement with, our doctrinal position as contained in the Statement of Fundamental Truths.
- F. **Assemblies of God polity.** A satisfactory working knowledge of the principles, practices and purposes of the Fellowship through a study of the General Council and District Council Bylaws.
- G. **Voluntary cooperation and commitment to the Fellowship.** An active loyalty to the constitutional agreements, a cooperative spirit and a readiness to seek and receive the counsel of older, mature Christians and those in positions of authority.

By voluntary it is meant that, upon learning the principles, doctrines and practices of the Assemblies of God, and by seeing the benefits to be derived from being associated with such an organization, persons of their own free choice decide to become members, thus subscribing to all that for which the organization stands.

For the minister, by cooperation, it is meant, to the best of one's ability, complying with all decisions setting forth and defining duties and responsibilities incumbent upon members of the organization. It includes active participation and respect for the will of the majority expressed through constitutional processes.

Hence, for the minister, voluntary cooperation means that when the minister decides to become a cooperating member of the Assemblies of God, this cooperation and participation thereby becomes obligatory and not optional.

- H. **Basic Education Requirements.** Basic education requirements for ministerial applicants are set

forth in the General Council Bylaws in Article VII, Section 2, paragraph h. Any level of formal academic achievement (diploma or degree) shall not be a requirement for credentials. However, applicants shall meet the following criteria:

1. All applicants are required to be interviewed by the District Credentials Committee and, in preparation for the interview, pass a standard exam approved by the General Presbytery whereby they demonstrate knowledge of the Bible, Assemblies of God doctrine, and ministerial practices; and either
  2. Successfully complete equivalent training to that indicated in paragraph 3 below, preferably in an endorsed Assemblies of God postsecondary school; or in a seminary, college, Bible college, or school approved by the District Credentials Committee consistent with criteria established by the General Council Credentials Committee; or
  3. Successfully complete courses prescribed by the General Council Presbytery, offered by the South Carolina District School of Ministry, in correspondence through Global University of the Assemblies of God, or pass the final examinations in the prescribed courses; or
  4. Be recommended by the District Credentials Committee as qualifying for credentials through self-study and ministerial experience. Such candidates shall have a proven and fruitful ministry of substantial duration. Requests from the District Credentials Committee for such a candidate shall be presented to the General Council Credentials Committee and may be granted on a case-by-case basis.
- I. **Mandatory Screening.** All applicants for ministerial credentials shall be screened through a designated screening agency established by the General Council Executive Presbytery. Said screening shall be done by the District Credentials Committee prior to the application to the office of the General Secretary of the Assemblies of God.
- J. **Marriage Status.** The General Council disapproves of any married persons holding ministerial credentials with the Assemblies of God if either marriage partner has a former spouse living, unless the divorce occurred prior to his or her conversion or for the scriptural causes of a former spouse's marital unfaithfulness (*cf.* Matthew 19:9), or the abandonment of the believer by the unbeliever (*cf.* 1 Corinthians 7:10-15), except as hereinafter provided.
- K. **Ecclesiastical Annulments and Marriage Dissolutions.** The Executive Presbytery of the General Council of the Assemblies of God shall have the authority to determine whether an applicant qualifies for an ecclesiastical annulment. In such cases there must be clear and satisfactory evidence of deception, fraud, or other conditions which have a profound impact preventing the creation of a valid marriage union, unknown at the time of marriage by the applicant.
- The Executive Presbytery shall have the authority to determine whether an applicant qualifies regarding a former marriage when the termination of that marriage is consistent with the scriptural position of the Fellowship relating to the granting or holding of ministerial credentials; or if a former marriage ended prior to conversion. In those cases involving preconversion divorce they shall be decided on an individual basis just as those that deal with ecclesiastical annulments.
- Appeals from the decisions of the Executive Presbytery may be made to the General Presbytery.
- L. **Eligibility of women.** The Scriptures plainly teach that divinely called and qualified women may also serve the assemblies in the ministry of the Word (*cf.* Joel 2:29; Acts 21:9; 1 Corinthians 11:5).
- Women who meet the qualifications for ministerial credentials are eligible for whatever grade of credentials their qualifications warrant and have the right to perform all sacerdotal functions of the ordinances and are eligible to serve in all levels of ministry, and/or District Council and General Council leadership.
- M. **Ministers from Other Organizations.** If a minister from another reputable body desires to affiliate with the Assemblies of God, the credential committees of both the General Council and the

District Council are under no obligation to accept the applicant's previous ministerial status, but will judge each candidate on his or her own merits as to the level of credentials to be granted.

Such applicants shall be required to:

1. Conform to Assemblies of God criteria for recognition.
2. Complete an application for ministerial recognition.
3. Submit a letter of recommendation from a neighboring Assemblies of God minister or the Sectional Presbyter for the applicant's area.
4. Submit a recommendation from the body with which the minister was formerly affiliated. If such is not available, letters of recommendation should be sought from three reputable ordained ministers who are familiar with the applicant's ministry, two of whom should be with the applicant's former credentialing body.
5. Take the credential examination.
6. Complete such courses as may be prescribed by the General Presbytery for ministers transferring from other credentialing bodies.
7. Meet with the District Credentials Committee for an oral interview.
8. Be recommended by the District Credentials Committee for action by the General Council Credentials Committee.
9. All previously ordained ministers so approved shall receive recognition as ordained Assemblies of God ministers with the laying on of hands by the District Presbytery. All other applicants so approved shall receive the appropriate level of credential recognition.
10. Ministers who receive Assemblies of God recognition shall relinquish their ministerial credentials with any other organization, unless an exception is granted by the General Council Credentials Committee upon recommendation of the District Credentials Committee for a minister serving as a missionary in this country who holds a credential with a member of the World Assemblies of God Fellowship, or in special and/or unique cases as determined by the General Council Credentials Committee.

## Section 7. Specific Qualifications

- A. **Residency Requirements of Applicants.** Applicants for all credentials must be residents of or hold credentials in the South Carolina District where they make application and appear before the District Council Credentials Committee.
- B. **Local Church Credential.** A local church credential shall be administered by the local assembly pursuant to basic guidelines adopted by the General Presbytery and such additional guidelines adopted by the South Carolina District Council. It shall be non-transferable and limited to the issuing local assembly.
- C. **Certified Minister.**
  1. *General requirements.* They shall show promise of usefulness in the gospel work. They shall devote full or part time to Christian ministry and, at the discretion of the District Council Credentials Committee, may remain under the supervision of a pastor or a ministry coach or mentor. They shall show evidence of a divine call and be actively engaged in some aspect of ministry and proclamation of the gospel, except in case of ill health, disability or advanced age.
  2. *Pastoral requirements.* In the event a certified minister is serving in a position as the pastor, he or she shall be expected to advance to the ministry license level with two years of acceptance of the pastorate. This shall not apply to any minister who has reached the age of sixty-five (65) or older, or whose Certificate of Ministry has been issued on a provisional basis. Any exceptions shall be at the discretion of the District Council Credentials Committee.

3. *Exception for provisional issuance.* A Certificate of Ministry may be issued on a provisional basis to a person who has not met all the credentialing requirements but who is deemed by the District Credentials Committee to be essential to the continuity of the assembly or a ministry. The reason for such provisional issuance must be ministry driven, and the justification for its use is terminated when the minister ceases to be involved in the ministry for which it was initially granted unless the minister accepts another qualifying assignment. Other limitations are:
  - a. The Certificate of Ministry on a provisional basis will be issue for one year and shall not be renewed more than two times.
  - b. A person who has been granted the Certificate of Ministry on a provisional basis must meet the qualifications for a ministry certificate within a three (3) year period.
- D. **Licensed Minister.** Qualifications for license shall include clear evidence of a divine call, character and preparation suitable for that calling, practical ministry experience, and an evident purpose to devote one's life in service to the proclamation of the gospel.
- E. **Ordained Minister.** Qualifications for ordination are outlined in the Bible (1 Timothy 3:1-7; Titus 1:7-9). In addition:
  1. *Age requirements.* Applicants must be twenty-three (23) years of age or older.
  2. *Application requirements.* They must have met all requirements in making application and in completing the prescribed application form.
  3. *Two full, consecutive years of ministry.* No person may be ordained to the ministry until he or she has shown evidence of a divine call and has held a ministry license and has been actively engaged in ministry and proclamation of the gospel for at least two (2) full, consecutive years immediately prior thereto.
  4. *Residency requirements of applicants.* Applicants must be residents of or hold credentials in the District Council and appear before the Credentials Committee. The Credentials Committee shall refrain from approving any applicant for ordination who may have been licensed in another District Council until such licensed minister shall have been a member of the South Carolina District Council at least one year. Applicants who have not been a member of the District Council where they apply for ordination for two (2) full, consecutive years must meet the requirements and secure the endorsement of the executive officers of the District Council in which they were previously licensed, as well as the South Carolina District Council.
  5. *Exceptions to requirements.* The General Council Credentials Committee, upon request by the South Carolina District Credentials Committee and where exceptional circumstances exist, may waive the requirements for an applicant holding a ministry license for two (2) full consecutive years or being a member of the South Carolina District Council in which he or she is seeking ordination for at least one year.
  6. *Maintaining active status.* In order to maintain active status, ordained ministers shall be engaged in viable ministry and proclamation of the gospel except for cases of disability, retirement, or other valid circumstances as determined by the General Secretary.

## **Section 8. Certificates and Fellowship Cards**

The General Council Credentials Committee is authorized to issue ordination certificates, ministry licenses, and certified ministers' certificates, together with the accompanying annual fellowship card, to all properly qualified and approved candidates.

Ministerial credentials shall be considered valid only when accompanied by up-to-date Fellowship certificates. All Fellowship certificates are valid only until January 15 of each year, and must be renewed annually. Renewing credentials is the responsibility of the individual minister. In the event his renewal

form is not received by December 31, it shall be the minister's responsibility to notify the District Secretary-Treasurer to avoid lapsing after January 15.

## **Section 9. Ministry Credentials**

**A. Credentials Renewal Process.** Credentialed ministers shall renew their credentials annually per General Council Bylaws, regulations and deadlines. The deadline for renewal is December 31. The deadline to avoid a lapsed credential normally is January 15. To avoid a late fee, the General Council requires a postmarked date no later than December 31 to accompany the renewal form. A grace period from January 1 through January 15 is granted by the General Council accompanied by a requisite late fee. Renewals may be made by posted and date stamped mail to the District Council at any time before the deadline up to the end of the grace period. Online renewals may be made at the General Council website up to the deadline date of December 31, but not beyond.

**B. Ministerial Credential Upgrades.** The Credentials Examination and Interview Committee shall examine, interview and recommend status upgrades to the District Presbytery. In turn, the District Presbytery, acting as the District Credentials Committee, shall recommend status upgrades to the General Council Credentials Committee for qualified ministers who apply and satisfy all requirements of the General Council and District Council.

**C. Maintenance of Credentials.** All ministers are expected to be actively engaged in the proclamation of the gospel of the kingdom of God. In order to maintain active status, ministers shall be engaged in viable ministry and proclamation of the gospel during the year, except for cases of disability, retirement, or other valid circumstances as determined by the General Secretary of the General Council of the Assemblies of God. The minister's previous year's record must indicate that he or she has cooperated financially with the District Council as prescribed by the Bylaws.

### **D. Quality Education**

1. *Continuing education.* Ministers and assemblies are encouraged to seek continuing education, discipleship, spiritual formation and training opportunities of all kinds, of all degrees of difficulty, or their own initiative or in cooperation with the District Council and the General Council, but with great care always taken to properly understand and honestly describe all such training, certification, degrees and titles.

2. *Using adequately accredited institutions.* Because of the many questionable institutions offering unaccredited or deficient training and education, and since the General Council, its accredited schools and its regional Assemblies of God universities are committed to achieving and maintaining the highest standards of accreditation in education, the District Council encourages its ministers to meet their continuing education needs either through endorsed Assemblies of God institutions such as its regional university, Southeastern University of the Assemblies of God, or through other reputable institutions having accreditation status at least equivalent to that held by the Assemblies of God regional and national accredited schools.

3. *South Carolina District School of Ministry (SC DSOM).* The South Carolina District School of Ministry shall exist to provide a competent, convenient, fast track and inexpensive way to (1) satisfy basic academic and internship requirements of the General Council of the Assemblies of God for ministerial credentials at certification, license and ordination levels and (2) provide quality education for staff and members of assemblies not seeking ministerial credentials who desire continuing education in ministry-related courses.

**E. Compliance with Tithing Policy.** Each minister shall comply with the tithing policy of these bylaws and the required dues of the General Council during the calendar year in order to be renewed or, in such cases, to be reinstated upon lapsing after January 15. If a minister's tithe and/or General Council dues are in arrears, he or she shall be given opportunity to explain the reason and shall meet the deficit at the

time of renewal. Should a minister fail to comply through negligence with his or her agreement to give tithes according to these bylaws during the calendar year, except for stated exceptions in these bylaws, the District Credentials Committee retains the prerogative to arrange a repayment plan for tithes in arrears with the current tithe to be completed within the following year not to exceed December 31. During this period of time the minister shall be on ministerial probation. If the minister fails to comply with the repayment plan, the District Presbytery may recommend to the General Secretariat that the credential not be renewed.

**F. Transfer of Credentials.** When a member minister takes up residence in another district, a certificate of transfer shall be issued within sixty (60 days) by the District Council unless charges are pending against the minister. The General Council Bylaws provides for the certificate of transfer to be accepted by the District Council into which the minister moves. Exceptions to transferring out to another District Council may be made according to the General Council Bylaws, Article VII, Section 9 such as those who serve in Assemblies of God institutions, are missionaries, serve in the military or are students.

**G. Transfer from Assemblies of God World Fellowship.** A minister holding ordination (or equivalent) with a member group of the Assemblies of God World Fellowship may transfer his or her ordination to the General Council of the Assemblies of God if the following criteria are met:

1. A letter of recommendation from the Executive Leadership Team of the national church or equivalent letter of recommendation.
2. A course on Assemblies of God history and polity.
3. A completed ministerial application.

**H. Non-disciplinary Credential Terminations.** Non-disciplinary credential terminations may be done on the initiative of the minister or the District Council Credentials Committee.

1. Initiative of the minister
  - i. *Lapsed.* Ministers who do not renew their credentials shall be listed as lapsed, provided there is no cause for disciplinary action. Their names shall be published as lapsed in the *Assemblies of God Ministers Letter*, hereafter referred to as *The Ministers Letter*.
  - ii. *Resigned.* Ministers who elect to remove themselves from the Fellowship shall submit a letter of resignation to the District Secretary-Treasurer. If there is no cause for disciplinary action, their resignation shall become effective after having been approved by both the District Council and General Council credential committees. Their termination shall be listed in *The Ministers Letter* as resigned.
2. Initiative of the District Council
  - iii. *Inactive.* When a minister becomes inactive for two consecutive years, according to the stipulations set forth in General Council Bylaws, Article VII, Section 6, paragraph b, his or her name shall be published as inactive in *The Ministers Letter*.
  - iv. *Not renewed.* If in the opinion of the District Council's Credential Committee a minister's credentials should not be renewed short of disciplinary action, the minister's name shall be published as not renewed in the *Ministers Letter*.
3. Affiliation with another church organization. In the event a minister shall identify with another organization granting ministerial credentials, and shall have received such credentials, his or her credentials with the General Council of the Assemblies of God shall be terminated. An investigation shall be made to determine the proper category of termination.
4. Surrender of credentials. In all cases, the minister shall be required to surrender his or her credential (Certificate of Ordination, Ministry License or Certificate of Ministry) and current Fellowship Card to the District Secretary-Treasurer. Refusal to surrender his or her credentials

and current Fellowship Card shall be considered insubordination and may result in placing a charge against the minister.

**I. Reinstatement of Ministers.** When a minister's credentials is removed from the General Council's ministerial list for any cause, except failure to renew or dismissal, and shall apply for reinstatement, he or she shall not be eligible for reinstatement until at least six months have elapsed from the time of the removal. The Credentials Committee may hold such reinstatement in abeyance as long as deemed advisable. A non-refundable fee of \$100 shall accompany the application to be divided between the General Council and the District Council.

Applications for reinstatement may be made through the South Carolina District Council by an applicant who resides in the district but who was removed from the ministerial list while a member of another District Council. A letter of clearance shall be sought from the District Council's executive office that processed the termination, and, upon receipt of the clearance, may add its endorsement and forward the application, together with the letter of clearance, to the General Council Credentials Committee for its action.

## **Section 10. Official List of Ministers**

### **A. Terminology.**

1. "Active ministry": ministry that is actively maintained by the credentialed minister through personal initiative, direct association, creative participation and leadership with an organized assembly, recognized institution or indigenous work in a viable leadership, missionary, evangelistic or educational role unique to the ministerial calling that conforms to the normal rigors and discipline of daily ministerial life associated with the phrase "full-time ministry".
2. "Inactive ministry": ministry that ceases to be active as part of the normal rigors of daily ministerial life, association and leadership as defined in the phrase "active ministry".
3. "Full-time ministry": ministry is considered to be full-time when two-thirds or more of a normal work week is dedicated exclusively to ministry with an organized assembly, recognized institution or indigenous work in a viable leadership, missionary, evangelistic or educational role unique to the ministerial calling that conforms to the normal rigors and discipline of daily ministerial life.

**B. Active Ministers.** All credentialed ministers who shall withdraw from active ministry, or shall cease to engage in pastoral, evangelistic, or other full-time ministry, shall be expected to notify the District Secretary-Treasurer who shall notify the General Secretary of the General Council of the Assemblies of God authorized to transfer the names of such persons to the inactive list, unless the District Credentials Committee requests otherwise by letter.

**C. Inactive or Disabled Ministers.** All credentialed ministers who shall withdraw from active ministry or shall cease to engage in pastoral, evangelistic, or other full-time ministry, shall be expected to notify the District Secretary-Treasurer who shall inform the General Secretary who is authorized to transfer the names of such persons to the inactive list, unless the District Credentials Committee requests otherwise by letter or e-mail message.

## **Section 11. Stewardship and Retirement Planning**

**A. Stewardship Planning.** All credentialed ministers and assemblies are urged to draw from the counsel and benefits of the District Council Stewardship Department in estate, insurance, Social Security, Medicare and retirement planning.

**B. Tax-Sheltered Retirement Funds.** The South Carolina District Council recommends that credentialed ministers participate in the federal Social Security program, The General Council Ministers Benefit Association, or another tax-sheltered retirement fund, and that each local assembly contribute to these programs for its ministers.

**C. District Contributions for Ministers Benefit Association (MBA).** The District Council shall contribute an amount equal to five percent (5%) of the minister's monthly tithe to The General Council Ministers Benefit Association if he or she is enrolled and properly notifies in writing the District Secretary-Treasurer of the account name and number. The District Council shall have no obligation to make any contribution for the benefit of any minister who has not established an account for retirement purposes. Funds that accrue for the initial six months after a minister joins the District Council membership upon receiving his or her credentials, or by transfer from another District Council, shall be forfeited if the minister fails to join the Ministers Benefit Association (MBA) during this time. No monthly accruals shall occur after this initial six month period ends. The minister may join MBA at any time afterwards and notify the District Secretary-Treasurer in writing to begin receiving monthly deposits in his or her MBA account from his or her monthly tithe contributions.

## **Section 12. Senior Ministers**

In respect and honor to those ministers who have given years of service to the Fellowship, senior status shall automatically be given to all credential holders who have reached the age of sixty-five (65), whether or not they continue in full-time ministry.

**A. Application for Retired Category.** Senior-retired status shall be granted only to those ministers who filed a request for such status with the District Secretary-Treasurer. He or she shall file an abbreviated report to maintain a correct address file for mail, e-mail and insurance purposes.

### **B. Guidelines**

1. *Reports.* Senior-retired ministers shall file an abbreviated annual report to maintain a correct mailing address.
2. *Designation in publications.* Senior-retired ministers shall have this status indicated in the *Official List of Assemblies of God Ministers*.
3. *Support of General Council national office.* Senior-retired ministers shall be free to distribute as they desire the portion of their tithes previously paid to the General Council.

**C. Aged Ministers Assistance.** Recommended is that all assemblies, both District Council affiliated and General Council affiliated, contribute regularly to Aged Ministers Assistance of the Assemblies of God to provide assistance to aged ministers who are in need of financial assistance. Assistance shall be made available to ordained ministers of the Assemblies of God and to their widows, because of age or physical infirmity, and for whom no other means of support is available. Eligibility shall be determined on the following basis:

1. *Ministerial requirement.* The applicant shall have been an ordained minister in good standing and have held credentials for at least ten (10) years immediately prior to retirement.
2. *Age requirement.* The applicant shall have reached the age of sixty-five (65) in the case of an ordained minister, or sixty (60) in the case of a spouse of an ordained minister.
3. *Disability requirement.* Ministers who have been disabled to the extent that they cannot perform their ministerial duties shall also be eligible to make application.
4. *Financial cooperation requirement.* The record of the applicant shall indicate that he or she has complied with the approved financial plans of the District Council and the General Council of the Assemblies of God.

5. *District endorsement requirement.* Unqualified endorsement must be given by the District Council Executive Presbytery.

### **Section 13. Ministerial Status Changes**

All changes in a minister's status shall be reported immediately to the District Secretary-Treasurer who, in turn, shall report this information to the office of the General Secretary of the General Council on the Ministerial Status Report (MSR) form provided by that office.

### **Section 14. Ministerial Relations and Ethics**

**A. Amenability.** All certified, licensed and ordained ministers shall be amenable to both the District Council and the General Council of the Assemblies of God in matters of doctrine, conduct and discipline (*cf.* General Council Bylaws, Article VII, Section 1 and Section 8, a.). Above all, they shall regard themselves as subjects of the Kingdom of God and amenable to it in all matters of life, doctrine and conduct as revealed in the Word of God.

**B. Culture of Honor.** Ministers and their spouses are encouraged to foster a culture of honor and respect in the Assemblies of God Fellowship. Recommendations include the following principles to hallmark the lives of others:

1. *Federal, state, county and local government leaders.* Pray for all who are in authority and leadership over us as a nation, including prayer for the peace of Jerusalem (*cf.* Psalm 122:6) and peace in the world (*cf.* Isaiah 9:6; Matthew 6:9-10).
2. *Assemblies of God Fellowship leaders.* Honor the Assemblies of God Fellowship's world, national and district leadership to make their work among us easier and more beneficial to the whole of the Fellowship (*cf.* Hebrews 13:17).
3. *Pastors and staff appreciation.* Official boards and congregations are encouraged to honor their pastors and staff through appreciation events such as common to the annual Pastor's Appreciation Day.
4. *Local leadership and members of assemblies.* Pastors are encouraged to honor those in their respective congregations who distinguish themselves in their walk with God in the Spirit as wholesome examples of godly character, integrity and mission within the greater community.
5. *Life-time achievement.* The District Council shall give due honor to those whose life-time achievement deserves General Council and/or District Council recognition among the ministers and assemblies. These include but are not limited to the following:
  - a. General Council and District Council recognition of credentialed ministers who distinguished themselves by fifty (50) years of active ministry in the Assemblies of God Fellowship.
  - b. Recommendation for General Council recognition as Honorary General Presbyter former District Council executive officers who served at least twenty years as a General Presbyter of the Assemblies of God.
  - c. Recommendation for District Council recognition as Honorary District Council Presbyter former District Council executive officers.
6. *Honoring Retired Ministers.* Upon retirement from a congregation, a minister may feel necessity to disassociate from the congregation where he or she was beloved for ethical reasons. Though disruptive influence by former pastors is strongly discouraged in any local assembly and may be subject to disciplinary action, at the same time, succeeding pastors of retiring pastors should make every reasonable effort to honor and respect the retiring pastor and his or her family by encouraging

continued association with and participation in congregational life so that he and his family may enjoy the love of the people and not face retirement years alone without membership in a local assembly. Likewise, it is the duty of the retired pastor and his or her family to honor and respect the succeeding pastor and do no harm to him or her or to the congregation. Sometimes an honorific title such as pastor emeritus may be conveyed where no duties are required or expected. If an unresolved issue arises with the retired pastor's continued association with the local assembly, the District Executive Presbytery shall hear the matter and render a final decision based upon reasonable criteria.

**C. Clergy's Duty to Report Suspected Child Abuse or Neglect.**

a. *Reasonable Belief.* Members of the clergy who are at least eighteen (18) years old are mandated reporters and are required by South Carolina Code of Law § 63-7-310 to report suspected child abuse or neglect. As mandated reporters, clergy members must report when in their professional capacity they received information which gives them reason to believe a child has been or may be abused or neglected as defined in South Carolina Code § 63-7-20. The mandate to report child abuse or neglect does not require the reporter to know for certain that a child has been abused or neglected. The duty to report is triggered when the mandated reporter has the reasonable belief that a child has been or may be abused or neglected.

b. *Personal Duty to Report to Legal Authority.* Reporting to a supervisor or person in charge of an institution does not relieve a mandated reporter of his or her individual duty to report, and the duty to report is not superseded by an internal investigation within an institution (South Carolina Code § 63-7-310(C)).

c. *Duty to Report Credentialed Minister.* If such an allegation or suspicion involves or implicates a credentialed minister of the Assemblies of God, a report shall be made immediately by the minister and/or other church official to the South Carolina District Council executive officers immediately and without delay.

d. *Reporting Requirement Exception.* The only circumstance in which clergy, including Christian Science practitioners and religious healers, are exempt from being required to report suspected child abuse or neglect occurs when a clergy member's only knowledge of the abuse or neglect is based on information (1) received from the alleged perpetrator of the abuse (2) during a communication protected by the clergy-penitent privilege provided for in South Carolina Code of Law § 19-11-90 and § 63-7-420.

**D. Affiliation with District of Residence.** All credential holders shall be expected to affiliate with the District Council within the boundaries of which they reside and work in cooperation with the same according the General Council Bylaws, Article VII, Section 8, paragraph b.

1. *Exception.* Ministers who reside in one district but pastor or serve on the staff of an assembly located in another district shall be required to be a member of the district in which the assembly is located.

2. *Nationally appointed U.S. missionaries.* According to General Council Bylaw, nationally appointed U.S. missionaries shall become members of the District Council in which they serve and shall be listed on the ministerial roster of that District Council by the office of the General Secretary. They may also retain honorary membership in their home District Council, be listed as a missionary under national appointment in their home District Council's yearbook, and be extended voice and voting privileges in the same while on official furlough.

3. *Church-planting missionaries.* According to General Council Bylaw, ministers who serve in a transdistrict ministry related to church-planting efforts may do so provided:

- a. They have a scope of ministry which reaches beyond district boundaries; and
- b. The district presbyteries of both district councils agree to the assignment; and

- c. If the assignment involves a language group, they follow the guidelines provided by the General Council Executive Presbytery and adhere to the General Council Bylaws governing interdistrict relations (*cf.* General Council Bylaws, Article V, Section 6).

4. *District Council church planters.* Church planters holding credentials may obtain Affiliation with the District Council they intend to serve and retain honorary membership in their home District Council, be listed in the home District Council's yearbook, and be extended voice and voting privileges in their home District Council as they serve in another district. The financial responsibilities shall be the same as those of a nationally appointed U.S. missionary (*cf.* General Council Bylaws, Article VII, Section 8, paragraph c, subparagraph (3)).

**E. Cooperation with Other District Councils.** Ministers shall be expected to cooperate with other district councils in which they may labor temporarily. It is recommended as a standard of proper practice that all ministers conform to the financial policy of the District Council with which they are affiliated with the exceptions of financial responsibilities of world missionaries, chaplains (military and institutional) and nationally appointed or approved U.S. missionaries who shall conform to the requirements for financial support of the District Council as set forth in the General Council Bylaws, Article VII, Section 8, c.

**F. Ministerial Etiquette and Ethics.** All discourteous and unethical conduct is disapproved. The minister should seek to express himself or herself in all life's situations and challenges in a wise, understanding, respectful and appropriate manner, avoiding intemperate and inappropriate words and behavior that may lead others to question his or her character, integrity and walk with God, always drawing upon the Spirit of wisdom, understanding, counsel, power, knowledge and the fear of Yahweh in human relationships (*cf.* Isaiah 11:2-3). Ministers are to be examples before others and should walk worthy of their high calling (*cf.* Ephesians 4:1-3; 1 Timothy 3:7; Titus 1:7-9).

1. **Holding Office in Assemblies.** All credentialed ministers shall refrain from holding an elected or appointed office in assemblies (*e.g.*, board member, trustee, deacon, etc.) other than the church they may pastor. They shall refrain from voting in the local business meeting. Exceptions may be made at the request of the senior or lead pastor to the District Council's Executive Leadership Team.
2. **Privileged Communications.** All credentialed ministers are obligated to respect as sacred and confidential any information confided to them while they are serving in their ministerial capacities as spiritual counselors and are not to disclose such confidential information except with the expressed written consent and permission of the confidant to prevent the commission of a crime, or if required by law.
3. **New Assemblies.** Before starting a new assembly or relocating an established assembly in any community in the South Carolina District, the credentialed minister shall exercise ministerial courtesy to notify the District Council's Executive Presbytery in order to request written endorsement to safeguard the goodwill and intentions of the minister and, if involved, the local assembly which he is senior or lead pastor

**G. Resignations.** No pastor should resign from a local assembly without first advising the District Superintendent or District Secretary-Treasurer and his or her region's Executive Presbyter at least one week prior to the announcement to the officers and/or members of the local assembly.

## **ARTICLE XI. DOCTRINES AND PRACTICES DISAPPROVED**

In accord with its constitutional prerogatives, The General Council of the Assemblies of God has declared itself pertaining to disapproval of certain matters as follows:

### **Section 1. Unconditional Security**

In view of the biblical teaching that the security of the believer depends on a living relationship with Christ (John 15:6); in view of the Bible's call to a life of holiness (1 Peter 1:16; Hebrews 12:14); in view of the clear teaching that a man may have his part taken out of the Book of Life (Revelation 22:19); and in view of the fact that one who believes for a while can fall away (Luke 8:13); The General Council of the Assemblies of God disapproves of the unconditional security position which holds that it is impossible for a person once saved to be lost.

## **Section 2. Legalism**

**A. Matters of conscience.** The Assemblies of God strongly affirms that the Scriptures teach a life of "holiness without which no man shall see the Lord" (Hebrews 12:14). However, since sincere commitment to holy living sometimes results in sharp differences of opinion among believers on debatable matters of personal conscience, the Assemblies of God disapproves the practice of pressing these debatable matters of personal conscience upon others (Romans 14:1-4).

**B. Adding conditions to salvation.** The Assemblies of God strongly affirms that salvation is received through repentance toward God and faith in the Lord Jesus Christ (Ephesians 2:8,9). Therefore, the Assemblies of God disapproves any teaching or practice that seems to add conditions to salvation (Galatians 3:1-5).

## **Section 3. Eschatological Errors**

**A. The restitution of all things.** The Assemblies of God understands the teaching of Acts 3:21 to limit the restoration to that of which the prophets have spoken, thus denying the universal redemption theory. We are opposed to all forms of universalism (Matthew 25:46; Revelation 20:10).

**B. Setting a date for the Lord's return.** It is unwise to teach that the Lord will come at some specified time, thereby setting a date for His appearing (Mark 13:32,33; Luke 12:37-40; 1 Thessalonians 5:2). It is also unwise to give out from the platform, or publish, visions of numbers and dates fixing the time of the second coming of the Lord.

**C. Post-Tribulation Rapture.** The General Council of the Assemblies of God has declared itself in the Statement of Fundamental Truths that it holds to the belief in the imminent coming of the Lord as the blessed hope of the Church; and since the teaching that the Church must go through the Tribulation tends to bring confusion and division among the saints, it is recommended that all our ministers teach the imminent coming of Christ, warning all to be prepared for that coming, which may occur at any time, and not lull their minds into complacency by any teaching that would cause them to feel that specific Tribulation events must occur before the rapture of the saints.

**D. Amillennialism.** The General Council of the Assemblies of God disapproves of the amillennial teaching and its attendant erroneous philosophy which denies the fact of a literal 1,000-year reign of Christ on the earth, and substitutes for it the theory that this Christian or Church dispensation is the spiritual Millennium of which, its proponents say, the Bible writers prophesied.

**E. Credentials jeopardized if made an issue.** We recommend that those ministers who embrace any of the foregoing eschatological errors refrain from preaching or teaching them. Should they persist in emphasizing these doctrines to the point of making them an issue, their standing in the Fellowship will be seriously affected (Luke 21:34-36; 1 Thessalonians 5:9,10; 2 Thessalonians 1:4-10; Revelation 3:10,19,20).

## **Section 4. Membership in Secret Orders**

Ours is a last-day message in preparation for the coming of the Lord (Matthew 24:14), leaving us no alternative but wholehearted devotion to the cause of spreading the gospel (Luke 9:62); and it is well

known that the various secret orders require much valuable time and interest, thus diverting the servant of the Lord out of the way (Ephesians 5:16).

The nature of such organizations demands secrecy (John 18:20; Acts 26:26) reinforced by religious oaths (Matthew 5:34) and strong attachment by binding obligations to persons who are for the most part unregenerated (2 Corinthians 6:14). The spirit, philosophy, and general influence of such secret orders aim at the improvement of the natural man only (1 Corinthians 2:14; Colossians 2:8), thus wrongly channeling by incorrect interpretation important spiritual truths (2 Peter 3:16).

Confidence in these secret orders and their teachings has always tended toward the embracing of a false hope of salvation through good works and improved moral service (Ephesians 2:8,9).

In consideration of the foregoing, all ministers affiliated with the Assemblies of God should refrain from identifying themselves with any of the secret orders that the General Council recognizes as essentially of the world, worldly; and the General Council advises any who may have identified themselves with such orders to sever their connections with them (2 Corinthians 6:17). Furthermore, Assemblies of God ministers are requested to use their good influence among our lay members to dissuade them from such fraternal affiliations (1 Timothy 4:12; 2 Timothy 2:24-26).

## **Section 5. Divorce and Remarriage**

### **A. Membership**

1. *Marriage entanglements before conversion.* There are now among Christian people those who became entangled in their marriage relations in their former lives of sin and who do not see how these matters can be adjusted. We recommend that these people be received into the membership of assemblies and that their marriage complications be left in the hands of the Lord (1 Corinthians 7:17,20,24).
2. *Common-law marriages.* We recommend that in no case shall persons be accepted into membership who are known to be living in a common-law state of matrimony.

**B. Remarriage.** Low standards on marriage and divorce are very hurtful to individuals, to the family, and to the cause of Christ. Therefore, we discourage divorce by all lawful means and teaching. We positively disapprove of Christians getting divorces for any cause except fornication and adultery (Matthew 19:9). Where these exceptional circumstances exist or when a Christian has been divorced by an unbeliever, we recommend that the question of remarriage be resolved by the believer in the light of God's Word (1 Corinthians 7:15,27,28).

### **C. Assembly Leadership**

- (1) *Standard for offices of overseer, or elder, and deacon.* Since the New Testament restricts divorced and remarried believers from the church offices of overseer, or elder, and deacon, we recommend that this standard be upheld by all our assemblies (Titus 1:5-9; 1 Timothy 3:12), except when the divorce occurred prior to conversion (2 Corinthians 5:17) or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever (1 Corinthians 7:10-15).
- (2) *Prerogative of assemblies.* It is understood that recommendations are not binding, but assemblies shall maintain the prerogative of setting their own standards (in accord with provisions of Article XI of the Constitution).

### **D. Performing marriage ceremonies**

- (1) *Ministerial guidelines.* We discourage any Assemblies of God minister performing a marriage ceremony for anyone who has been divorced and whose former spouse is still living, unless the case is included in the exceptional circumstances described in Bylaws, Article IX, B, Section 5, paragraph b.

(2) *Violation of conscience not required.* We realize that the remarrying of such persons included in the exceptive circumstances in Bylaws, Article IX, B, Section 5, paragraph b, could violate the conscience of a minister; and if this should be the case, the minister should not be expected to perform such ceremonies.

(3) *Same-sex ceremonies.* No minister shall perform any type of marriage, cohabitation, or covenant ceremony for persons who are of the same sex. Such a ceremony would endorse homosexuality which is a sin and strictly forbidden in God's Word (Leviticus 18:22; 20:13; Romans 1:26,27; 1 Corinthians 6:9; 1 Timothy 1:9-11). Any minister of our Fellowship who performs a ceremony for these types of disapproved relations, unless innocently deceived into doing so, shall be dismissed from the Fellowship.

(4) *Counsel.* An Assemblies of God minister is urged to counsel applicants for marriage ceremonies with scriptural guidelines for Christian marriage prior to performing the ceremony. A minister may not perform ceremonies for persons who, in the minister's opinion, approach marriage without proper forethought, wisdom, and sobriety.

**E. Ministerial credentials.** We disapprove of any married minister of the Assemblies of God holding credentials if either minister or spouse has a former spouse living unless the divorce occurred prior to conversion or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever (1 Corinthians 7:10-15). (See also General Council Bylaws, Article VII, Section 2, paragraphs j and k.)

## **Section 6. Worldliness**

In view of the alarming erosion of national moral standards, we reaffirm our intention of holding up Bible standards against all forms of worldliness. We urge all believers to "love not the world, neither the things that are in the world. . . . For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world" (1 John 2:15-16).

In its teaching regarding worldliness, the Scriptures warn against participation in activity that defiles the body, or corrupts the mind and spirit; the inordinate love of or preoccupation with pleasures, position, or possessions, which lead to their misuse; manifestation of extreme behavior, unbecoming speech, or inappropriate appearance; any fascination or association which lessens one's affection for spiritual things (Luke 21:34,35; Romans 8:5-8; 12:1,2; 2 Corinthians 6:14-18; Ephesians 5:11; 1 Timothy 2:8-10; 4:12; James 4:4; 1 John 2:15-17; Titus 2:12).

## **Section 7. Abuses of Stewardship**

### **A. Tithing**

1. According to the Scriptures, tithes should be used for the support of the active ministry and for the propagation of the gospel and work of the Lord and not be given to charity or used for other purposes. In tithing, the ministers ought to be examples.

2. We recognize the duty of tithing and urge all our people to pay tithes to God. It is recommended that arrangements satisfactory to the pastor and the church be made by all pastors and churches, so that the pastor may receive regular and adequate support. We disapprove, however, of the teaching that all tithes necessarily should belong to the pastor for his or her support.

### **B. Solicitation of funds**

1. It is considered improper and unethical for ministers or missionaries to solicit funds, by letter or otherwise, for anything or any reason whatsoever without proper authorization.

2. The purpose of this section is not to hinder or discourage legitimate projects but to protect the Fellowship from those who employ methods not in harmony with Assemblies of God principles or policies.

Leaders in local projects shall have unquestioned freedom in local churches or communities. Projects of general interest to the district must have authorization of the district officers.

Projects or institutions of national scope that plan to solicit funds from Assemblies of God churches must have the authorization of the Executive Presbytery of The General Council of the Assemblies of God.

Promotion of all projects of a missional nature must have the authorization of the District Executive Presbytery.

3. The obtaining and use of mailing lists for promotional purposes not having proper authorization or which are not in keeping with policies of The General Council of the Assemblies of God shall be considered improper and unethical, whether it be under the name of a prayer chain beyond a local scope, chain letters, or appeals to the constituency for the support of ventures of strictly local or personal character. All offenders guilty of the practices expressed in the foregoing paragraphs shall be subject to discipline.

**C. Private ownership of religious institutions.** The General Council of the Assemblies of God approves the holding of title to all church buildings, schools, or other institutions that are supported by funds solicited for the work of God by properly constituted corporations. It disapproves the holding of title to such properties by the ministers of the Assemblies of God, through private ownership, corporations sole, or closed corporations. In the event a local congregation is not incorporated or set in order by the District Council, title should be vested in properly qualified trustees. Where private ownership exists, a properly incorporated body shall be formed and title to the property shall be transferred to the corporation.

A disregard of this principle and recommendation shall seriously affect the relation of the Assemblies of God members involved in such ownership.

## **Section 8. Ministers Holding Office in Local Assemblies**

All ministers holding credentials at any level shall refrain from holding any office in local assemblies, from voting in the local business meeting, and from serving on search committees for new pastors during a vacancy in office.

Those who apply for ministerial credentials who hold such offices shall resign their office immediately upon receiving credentials.

Appeals may be made by the lead pastor of a local assembly to the Executive Presbytery for waivers on a case-by-case basis. In the event waivers are not approved, if requested, a final decision shall be made by the District Presbytery. If the lead pastor requesting this arrangement shall leave the assembly, the arrangement shall be terminated as null and void, or, if the lead pastor, for any other reason, is no longer desirous of this arrangement, the minister shall comply with the lead pastor's request.

## **Section 9. Interference by Act or Undue Influence**

All ministers are advised against interfering with pastors and staff in charge of assemblies by intruding, exercising undue influence upon their work without consent, or by correspondence or other means of contact with members of the assembly as will hurt the influence of the pastor, staff and other leaders. All correspondence and any other form of contact which concerns the whole assembly shall be addressed or directed to the one in charge and not to individual members. Where there is no pastor, letters and/or electronic forms of contact shall be addressed to the officers of the assembly. Any

minister who so offends the spirit of unity, cooperation, harmony or corporate witness of an assembly and its leadership shall be subject to discipline by the District Presbytery.

### **Section 10. Ministry in Non-Assemblies of God Churches**

Ministers shall not be limited or restrained from entering open doors to preach the Good News of the Kingdom of God and its Pentecostal message as during the times of the first apostles of the Lord Jesus so long as they retain Assemblies of God doctrine, standards of holiness, proper attitudes and proper ministerial conduct without compromise.

Inasmuch as unity and cooperation is a vital principle in the Assemblies of God as it is in the Kingdom of God, it is essential that we recognize our relationship to each other in the Messiah Jesus around the world, both within the Assemblies of God Fellowship and beyond, and that we practice cooperation whenever possible and practical with other groups of believers, fellowships and organizations in all our pastoral, evangelistic, missionary and local work of ministry.

Ministers are urged to confer with a District Executive Leadership Team member before engaging in ministry in any church group not affiliated with the Assemblies of God so as to ascertain the value and benefits of such efforts or whether such ministry might result in confusion or misunderstandings in doctrine and conduct. In the event the District Executive Leadership Team member should not give approval, the minister shall refrain from conducting services for the church or group. Ministers who violate the decision of the District Executive Leadership Team shall be subject to discipline.

### **Section 11. Improper Attitude toward Those Removed From the Fellowship**

In order to render effective decisions made in the interest of proper discipline and for the protection of our assemblies, all who hold credentials, and local churches holding certificates of affiliation, shall refrain from taking an attitude toward offenders that would tend to nullify or set at naught the solemn verdict of those entrusted with this responsibility. Those who fail to support said verdict shall be subject to reprimand or, if persisted in, appropriate discipline.

### **Section 12. Interdenominational or Ecumenical Relationships**

The General Council of the Assemblies of God encourages ministers or churches to fellowship with other Christians of like precious faith who hold to the inspiration of Scripture, the deity of Christ, the universality of sin, the substitutionary atonement, the physical resurrection of Jesus Christ from the dead, and his second coming.

The General Council of the Assemblies of God and its affiliated District Councils shall not belong to any interdenominational or ecumenical organization that denies the evangelical beliefs stated in the above paragraph, and urges its ministers and churches to avoid entanglement with such interdenominational or ecumenical organizations except as opportunity may arise to support biblical values in the culture or provide opportunity to bear witness to our evangelical and Pentecostal faith and experience.

### **Section 13. Divine Healing and Professional Medicine**

The General Council of the Assemblies of God disapproves of any credentialed minister counseling a believer to exclude medical advice and/or treatment when seeking prayer for physical healing. Assemblies of God ministers shall not represent medical advice and/or treatment as a lack of faith in God's healing power.

## **Section 14. Accountability in Educational Attribution**

**A. Attribution.** In order to maintain our testimony of quality and integrity in educational credentials before the Church and the world, and to minimize the possibility of our ministers and churches being victimized by, or supporting, or perpetrating frauds in education or credentialing, we maintain certain standards for the attribution of degrees, certifications, and titles.

(1) *Attribution by ministers.* Our ministers shall refrain from listing, promoting, or attributing to themselves or others any degrees or titles conferred by institutions or organizations having, at the time of conferral, a formal accreditation status less than that of our appropriately corresponding Assemblies of God institutions (whether our institute, regional university, or seminary levels).

(2) *Attribution by the General Council.* No media, ministry, department, arm, or employee of the General Council shall list, attribute, or promote for any person, any degree or title conferred by an institution or organization having, at the time of conferral, a formal accreditation status less than that of our appropriately corresponding Assemblies of God institutions (whether our institute, regional university, or seminary levels).

(3) *Attribution by local churches.* We strongly encourage our ministers, boards, and churches to take great care to ensure that all ministers and church employees have actually earned the legitimately accredited education, training, and certification, as defined above, which they claim by their titles or degrees (such as counselor, therapist, doctor, and so on).

(4) *Attribution accepted.* All previously earned or conferred degrees prior to August 2007, from any institution whatsoever shall be fully accepted and grandfathered in.

**B. Intentional failure to comply.** Intentional refusal to comply with this ethical standard for educational credentials constitutes perpetrating a fraud upon the church and the world, personally and in the good name of the Assemblies of God, and the General Council disapproves of such practices.

## **Section 15. Substance Abuse**

The District Council of the Assemblies of God in compliance with the General Council of the Assemblies of God disapproves of the use of substances, such as but not limited to alcohol, tobacco, and recreational drugs, that are harmful to the body or mind, or that detract from a Christian's testimony, or that are a cause of stumbling to others, or that impair good judgment.

## **ARTICLE XII. DISCIPLINE AND RESTORATION**

### **Section 1. The Nature and Purposes of Discipline**

The aims of discipline as determined by scriptural authority are that God may be honored, that the purity and welfare of the ministry may be maintained, and that those under discipline may be brought to repentance and restoration.

Discipline is to be administered for the restoration of the minister, while fully providing for the protection of the spiritual welfare of our assemblies. It is to be redemptive in nature as well as corrective, and is to be exercised as under a dispensation of mercy.

### **Section 2. The Relationship between the District and General Council Credentials Committees**

The Executive Presbytery of the General Council is the Credentials Committee of The General Council of the Assemblies of God (Constitution, Article X, Sections 4 and 6). It shall have the final authority in matters of doctrine and the personal conduct of all certified, licensed, and ordained ministers. District actions related to the termination of credentials or the remedial discipline of restoration are to be in the form of recommendations to the General Council Credentials Committee.

All references to the discipline of ministers within this article of the Bylaws relate solely to certified, licensed, and ordained ministers.

### **Section 3. Causes of Disciplinary Action**

**A. Violations of Principles.** Violations of Assemblies of God principles as stated in these Constitution and Bylaws may give cause for disciplinary action by the credentials committees. Among such causes for action shall be:

- a. Moral failure involving sexual misconduct.
- b. Moral failure involving pornography.
- c. Any moral or ethical failure other than sexual misconduct.
- d. General inefficiency in the ministry.
- e. A failure to represent our Pentecostal testimony correctly.
- f. A contentious or non-cooperative spirit.

**B. Expiration of Time Limit.** Notwithstanding the above, when more than seven (7) years have elapsed from an occurrence that is cause for disciplinary action, the District Credentials committee may recommend to the General Council Credentials Committee that no discipline be administered when, in view of all the circumstances, it would appear that such discipline would serve only as punitive in nature rather than rehabilitative. In all such cases, final determination shall be made by the General Council Credentials Committee.

**C. Prerogative of District Council in Other Disciplinary Issues.** The South Carolina District Council retains the prerogative to exercise discipline and redemptive plans of recovery in other matters that do not rise to the level of formal charges for ministerial misconduct such as non-compliance to the acceptable standards of the Fellowship.

### **Section 4. Right of Initiative**

**A. Authority.** Occasions sometimes arise which make it necessary to deal with ministers who for some reason seem to have reached the place where, in the opinion of the leaders, endorsement can no longer be given. Credentials committees which have the authority to ordain ministers and to recommend them for credentials also have the right to withdraw their approval and to recommend the recall of credentials.

**B. Prior right of District Council.** The General Council Bylaws provides that the officers of the District Council in which an alleged offense is reported to have occurred shall be recognized as having the prior right of initiative in matters of discipline.

**C. Responsibility of District Council of affiliation.** If the district in which an alleged offense is reported to have occurred for some reason cannot take action, the General Council Credentials Committee shall refer the matter, together with the facts and supporting instruments, to the district with which the minister is affiliated.

**D. Responsibility of General Council Credentials Committee.** In the event the District Credentials Committee fails to take action within 90 days after a matter has been referred to it, it shall be the responsibility of the General Council Credentials Committee to see that action is initiated.

## **Section 5. Investigation of Reports or Complaints of Alleged Violations or Confessions of Violations of Assemblies of God Principles**

**A. Within the District Council of the Assemblies of God.** Reports or complaints of alleged violations of Assemblies of God principles (Bylaws, Article X, Section 3) or confessions of such by a minister shall be investigated. The District Superintendent in which the alleged offense is reported to have occurred, or an appointed representative, shall conduct the investigation to determine their source and validity. It is the responsibility of the District Superintendent to safeguard the church, the minister, the district, and the Fellowship. In the event such reports or complaints against a minister are filed with the General Council Credentials Committee, they shall be referred to the District Council in which the offense occurred for investigation. A copy shall be sent to the District Council with which the minister is affiliated.

(1) *Interview with complainants.* The persons involved shall be interviewed to ascertain the facts in the case and the reasons underlying the persistence of the reports or complaints.

(2) *Interview with accused minister.* The accused minister shall be given an opportunity to be interviewed to discuss the complaints received in the hope that the matter can be resolved.

(3) *Signed complaints.* In the event the investigation so warrants, a signed complaint shall be filed with the district office by each complainant describing the alleged offense.

(4) *Conditions for ministry during investigation.* Conditions of continuing ministry may be subject to restriction during the time of investigation at the discretion of the appropriate district officers on the basis of evidence at hand and the nature of the alleged offense. Such conditions are subject to review in 3-month intervals until such investigation has been completed resulting in either clearing the person of the allegations or filing formal charges.

**B. Outside United States.** In case the alleged misconduct occurs outside the United States in an area under the general oversight of Assemblies of God World Missions, that division shall take the initiative to file complete data with the District Council of the minister's affiliation. Any hearing or trial affecting that individual's ministerial credentials shall be held in the District Council of the minister's affiliation. Assemblies of God World Missions shall convey all information available to the said District Council as follows:

(1) *Report to District Council of affiliation.* At the earliest date after Assemblies of God World Missions receives a report of misconduct, such report shall be conveyed by telephone and by letter to the superintendent of the District Council with which the minister is affiliated.

(2) *Confidential file.* A confidential file shall be submitted to the District Superintendent, conveying all information as it becomes available to the division. A final complete file shall be prepared under the direction of the field director of the field involved and shall be presented to the District Superintendent for use in any action the district may take.

(3) *Additional information.* When in the judgment of Assemblies of God World Missions or the district involved, basic information is lacking (which information may be available at the site of the alleged misconduct), arrangements may be made for the gathering of such.

## **Section 6. Preparation and Filing of Charges**

If after due investigation it is determined that charges should be made, proper charges shall be prepared and filed in the district office. If no one appears to sign the charges, the district officers making the investigation may file charges based on the evidence in their possession. The person against whom charges have been filed shall be informed in writing by certified mail, at the last address furnished to the district, of the charges made in keeping with Bylaws, Article X, Section 3.

## **Section 7. District Credentials Committee Hearing and Discipline**

**A. District Council hearing.** In the event the reports or complaints cannot be dealt with privately to the satisfaction of all concerned, the District Superintendent of the District Council in which the alleged offense is said to have occurred, or the District Superintendent of the District Council with which the minister is affiliated, shall arrange for a hearing by the District Credentials Committee for the accused minister. The minister shall be required to appear at the hearing in the hope the matter can be resolved.

**B. Forfeiture of rights of accused.** A hearing shall not be considered as final disposition of the case until the accused be present and be allowed all rights and privileges granted herein. However, an accused member may be found guilty of charges and disciplined for failure to appear at the hearing, or if proof is found of willful neglect to take advantage of rights and privileges provided in these bylaws.

### **C. Discipline**

(1) *Cause for discipline.* A minister who has been found guilty of violating any of the Assemblies of God principles set forth in Bylaws, Article X, Section 3, either by a confession of the minister involved or by deliberation of the district presbytery, shall be subject to disciplinary action.

(2) *Determination of discipline.* It shall be the responsibility of the credentials committees to determine whether the circumstances of the case merit restoration or dismissal. The credentials committees shall weigh decisions on: (a) the basis of the offense itself, (b) the manner and thoroughness of repentance, (c) the attitude of the offending minister toward the discipline, and (d) the willingness manifested to cooperate.

(3) *Administering discipline redemptively.* If the District Credentials Committee determines that guilt has been established by the District Discipline and Restoration Committee, discipline shall be administered prayerfully and in the fear of God, in accordance with the Scriptures, and as set forth in the Constitution and Bylaws of The General Council of the Assemblies of God (*cf.* General Council Bylaws, Article X, Sections 8 and 9).

**D. Surrender of credentials.** Disciplined ministers shall be required to surrender their ministerial credentials and their current fellowship card to the district office. In the event of restoration the credentials shall be held in the District Council office by the District Secretary-Treasurer. In the event of dismissal the District Credentials Committee shall forward the credentials to the General Secretary of The General Council of the Assemblies of God. Refusal to surrender ministerial credentials and current fellowship card may result in placing an additional charge against the minister.

## **Section 8. Restoration**

Recognizing that the underlying principle involved in discipline is redemptive, and that man's conscience frequently brings him to judgment and confession, and that justice can sometimes be best

served with mercy, an effort should be made to lead the offending minister through a program of restoration, administered in love and kindness. The following provisions for restoration shall apply.

**A. Basis.** Those found to have violated any of the Assemblies of God principles (Bylaws, Article X, Section 3) may request a program of restoration as an alternative to dismissal. Restoration is a privilege granted out of mercy and not a right to be expected or demanded. The primary purpose is to restore a person to God, spouse, and family, with the results leading to possible restoration to ministry. Granting such request shall be at the discretion of the District Council and General Council credentials committees.

**B. Procedure and requirements.** The following procedure shall be used by the District Discipline and Restoration Committee in its recommendation to the District Credentials Committee in determining the specific requirements for restoration for the individual minister.

(1) *Restoration requirements.* The specific terms and conditions of the restoration program as recommended by the District Credentials Committee are to be forwarded to the General Council Credentials Committee for approval. After such approval they shall be given to the minister.

(a) *Suspension.* The minister shall be considered to be under suspension during the entire period of restoration.

(b) *Terms and Conditions*

(1) *Period of time.* The program for restoration shall continue for not less than 1 year except when the violation involves misconduct defined in the General Council Bylaws, Article X, Section 3, paragraph a, in which case it shall continue for not less than 2 years.

(2) *Authority.* The General Presbytery of The General Council of the Assemblies of God shall be authorized to establish guidelines and policy in regard to terms and conditions of restoration. Such guidelines and policy shall be consistent with provisions of the General Council Bylaws.

(c) *Extent of ministry.* The extent to which ministry may be permitted, if any, shall be determined by the District Presbytery, subject to the approval of the General Council Credentials Committee and compatible with the guidelines and policy established by the General Presbytery.

(d) *District membership.* The minister shall not be permitted to transfer his or her membership to another District Council during the period of restoration.

(e) *Publication.* While the minister's credentials are in a state of suspension, the minister's name shall not be removed from the ministerial roster, nor shall the minister's disciplinary status be published in either the General Council or District Council official publications.

(f) *Credentials renewal.* The minister shall renew his or her credentials annually in the regular manner.

(g) *Supervision.* In the event his or her ministerial activity has been terminated, the minister must become established in a local church working under the supervision of a pastor or presbyter.

(i) *Ministerial benefits.* During the program of restoration the minister shall continue to be eligible for benefits such as the minister's group insurance and Ministers Benefit Association.

(j) *Program administration.* The approved restoration program shall be administered by the District Presbytery.

(2) *District Council progress reports.* The District Credentials Committee shall submit to the General Council Credentials Committee on February 1 and August 1 of each calendar year a progress report relative to the restoration of ministers under discipline.

(3) *Completion of restoration.* When the restoration program has been satisfactorily completed, the suspension shall be lifted and the minister shall be restored to good standing.

(4) *Transfer of information.* A restoration information form for District Council use, prepared and distributed by the General Secretary, shall be completed by the District Secretary-Treasurer in which the restoration occurred when the rehabilitated minister requests a transfer to a new district. The completed restoration form shall accompany the Certificate of Transfer to another District Council. A disciplined minister shall, as a condition of entering a restoration program, sign a Limited Disclosure Agreement approved by the General Presbytery allowing the basis of his or her restoration program to be disclosed by the District Superintendent or District Secretary of a transferring district. The information shall be preserved for future reference in the files of the District Council in which the restoration occurred and the General Council.

**C. Eligibility of previously dismissed.** In the event a minister who has been dismissed requests reinstatement, the District Credentials Committee shall first obtain permission from the General Council Credentials Committee before submitting an appropriate restoration program as prescribed in Section 8 of this article. The dismissed minister shall not be eligible for reinstatement until the requirements for restoration have been completed. Consideration may also be given to a minister if in the opinion of the credentials committees he or she has satisfactorily fulfilled the remedial requirements of such restoration.

## **Section 9. Referral for Action to the General Council Credentials Committee**

### **A. District Recommendation**

(1) *Restoration.* When a minister is to be placed in a restoration program in accordance with these bylaws, the District Credentials Committee shall forward to the General Council Credentials Committee the specific charges and recommended terms of restoration. The District Superintendent or District Secretary-Treasurer shall inform the minister involved of its action and, where applicable, the District Superintendent of the minister's District Council of affiliation.

(2) *Dismissal.* When a minister has been found guilty of violating any of the Assemblies of God principles as set forth in the General Council Bylaws, Article X, Section 3, and it is determined that restoration is not feasible or fails, a minister's credentials are to be terminated by dismissal. The District Credentials Committee shall forward to the General Council Credentials Committee the specific charges and its recommendation for dismissal. The District Superintendent or District Secretary-Treasurer shall inform the minister involved of its action and, where applicable, the District Superintendent of the minister's District Council of affiliation.

(3) *Subsequent dismissal.* Should evidence come to light following a minister's resignation, or the lapse of his or her credentials, of conduct occurring prior to his or her resignation or lapse of credentials that would constitute grounds for disciplinary action under General Council Bylaws Article X, Section 3, the District Credentials Committee at its discretion may request the General Council Credentials Committee to change that minister's status from lapsed or resigned to dismissed. The District Superintendent or District Secretary-Treasurer shall inform the minister involved of its action and, where applicable, the District Superintendent of the minister's District Council of affiliation. All rights of appeal will apply.

**B. General Council Credentials Committee action.** The General Council Credentials Committee shall consider the recommendation of the District Credentials Committee and shall concur if in its judgment the District Credentials Committee was justified in the action taken. If the General Council Credentials

Committee does not concur, it may remand the case, together with its recommendations, back to the District Credentials Committee for review and reconsideration. The District Credentials Committee shall report the results of its recommendation to the General Council Credentials Committee for final disposition.

**C. General Council to hold information.** All pertinent information relating to the disciplinary action taken against a minister shall be preserved for future reference in the office of the General Council Credentials Committee.

Filing of appeal to the General Council Credentials Committee.** The right of appeal applies to all actions of discipline and termination of credentials other than lapsing or resigning on the initiative of the minister. An accused minister shall have thirty (30) days from the date notification of the General Council Credentials Committee decision was mailed to appeal to the General Council Credentials Committee. The minister shall be apprised officially of this right at the time notification is given to the minister of the decision of the General Council Credentials Committee. (1) *Remanding of case to the District Presbytery.* If in the judgment of the General Council Credentials Committee, justice has not been served, the case shall be remanded to the District Presbytery for review and reconsideration. The District Credentials Committee shall report the results of the review to the General Council Credentials Committee for final disposition.

(2) *Denial of appeal.*

(a) *Forfeiture of right of appeal.* No appeal shall be granted by remanding the case to the District Presbytery if proof is found of willful neglect on the part of the accused to take advantage of available rights and privileges during the district hearing (see Section 5, 6, & 7 of this Article).

(b) *Insufficient grounds.* The General Council Credentials Committee shall have the prerogative to determine whether there is sufficient cause to grant an appeal, and remand the case to the district.

**C. Right of appeal to the General Presbytery.** A disciplined minister whose appeal has been denied by the General Council Credentials Committee may appeal to the General Presbytery. An accused minister shall have thirty (30) days from the date notification of the General Council Credentials Committee decision was mailed to appeal to the General Presbytery. The appeal is to be sent to the office of the General Superintendent, and should include any new or exculpatory information not previously considered, with copies sent to the District Superintendent of the minister's District Council of affiliation and any other district councils involved. The decision of the General Presbytery shall be final.
